We now have a new Sec. *Lorena Nunez*.

Chris Drake is retiring soon. Father is working with downtown office to find a good replacement.

Might put add in Catholic Times for replacement. If someone is not found, might keep Chris part time to help break in new person. They will stress maintenance over cleaning and set up.

Father spoke about Bread after questions and explained Matricula Consular all of which is in report.

E-mail copies of reports to *Mary Ann* and *Bob Irwin*. It is important to prepare reports earlier so they can be passed to others. Thank you.
