

Christ the King - Committee Report

January 26, 2016

Representative:

Lanell Wade

Name of Committee or Group

Black Catholic Ministries

Report on Past Activities

There were committee groups reporting at Mass on Sundays explaining who they were and what they did and asking for volunteers. Black Catholic Ministries (BCM) was not one of those groups; therefore, I am passing out a brochure explaining our mission and who they are and what they stand for in the diocese. They need volunteers when events take place at Christ the King. As members of Parish Council, please support and encourage others in our Parish to do so as well. BCM really does need volunteers when events occur.

Report on New Activities

There were other women who were recognized for their commitment to the Catholic Faith in the Catholic Diocese in many ways; however, Virginia Hardy from Christ the King received First Black Catholic Women of the Year. If you have not given your Congrats to her, take the time to do. Photo attached.

Black Catholic Brochures will be given at council today. Take the time to read it. Thanks.
